

Due Diligence

Two falling corners and/or road stations must be referenced in the field with the release map on a continual basis before, and during the felling of any timber within this setting. If you are unsure of your location, Stop Work and call a supervisor.

Forest and Range Practices Act

How to follow plan:

- 1) Always read and understand your plans and maps.
 - 2) Always match your plan and map to what you find on the ground and then check that you can do the work.
 - 3) Stop and ask if you cannot follow the plan and map.
 - 4) Know your responsibilities. Ask if you are unsure.
- Due Diligence means following these steps.*

Timbermarking requirements:

All decked timber must be sufficiently marked (at least 10%) when the setting is inactive.
